Old-NotoSans-MM.glyphs Light Light 20210125-NotoSans-MM.glyphs

The image shows three stylized Greek letter lambda symbols side-by-side. The first symbol is black and appears to be from the 'Old-NotoSans-MM.glyphs' file. The second symbol is green and magenta and appears to be from the '20210125-NotoSans-MM.glyphs' file. The third symbol is black and appears to be from the 'Light' file. All three symbols have a similar triangular shape with a vertical stroke through the center.

The screenshot shows a font editor interface comparing three different styles of the Greek letter zeta (ζ) from three different font files: Old-NotoSans-MM.glyphs, Light, and 20210125-NotoSans-MM.glyphs. On the left, a sidebar lists various Greek letters and diacritics. The 'zeta' entry is selected and expanded, showing its properties. The 'colorIndex' property is set to 'N/A 1'. The 'leftMetricsKey' and 'rightMetricsKey' properties are both set to 'N/A =c'. The 'Layer (Light)' property is set to '29 30'. The 'RSB' property is listed. At the bottom, there are buttons for 'Save Left', 'Use Left', 'Use Right', and 'Save Right'.

The image shows three distinct stylized Greek letter 'nu' characters side-by-side. The first character is from 'Old-NotoSans-MM.glyphs' and features a thick black V-shape with a small vertical stroke at the top. The second character is from '20210125-NotoSans-MM.glyphs' and has a similar thick black V-shape but includes a green vertical stroke on its right side. The third character is from 'NotoSans-MM.glyphs' and is identical to the first, with a thick black V-shape.
